 to the Ch'u'itna coal project. At our last meeting on October 3, Administrator Lisa Jackson committed to working
 with the Native Village of Tyonek (NVT) on a government to government basis through the SEIS process. Since
 then NVT met with Regional Administrator, Dennis J. McLerran, and the two parties signed a Memorandum of
 Understanding. It was our understanding that Administrator McLerran would also be meeting with the incoming
 Colonel that afternoon to discuss roles and responsibilities related to the Ch'u'itna coal SEIS process.

 be many tribal leaders in town given the annual White House/Tribal leaders conference. If you can, however, I
 would greatly appreciate an opportunity to meet with you to discuss recent developments. I will be in town
 Monday, December 3rd through Friday the 6th. I have commitments on Monday at noon and Tuesday, December
 4th at 1:00 but would be available any other time and day that week that might work for your schedule.
